(*By a Resolution of the Court of Directors of the* 16*th January* 1828, *all Cadets at the Military College, and all subsequent nominations thereto, are deemed for general Service until brought forward for public examination.*)

TERMS OF ADMISSION.

Conditions and Qualifications for a Candidate.

1. No candidate can be admitted under the age of fifteen, or above the age of eighteen, years.

2. No candidate will be admitted without a certificate, signed by two practising surgeons, that he has no mental or bodily defect whatever to disqualify him for military service, and a declaration that he has had the small-pox, or has been vaccinated.

3. Every candidate must produce a certificate of good conduct from the master under whom he has last studied.

4. Every candidate must deliver the names and addresses of two persons residing in London, or its vicinity, who engage to receive him, on application to that effect by the Lieutenant-Governor.

5. It is an indispensable qualification that the candidate write a good legible hand; and that he write English well from dictation.

6. No candidate will be admitted who cannot construe and parse Cæsar's Commentaries.

7. No candidate will be admitted who shall not be found to possess a correct knowledge of all the rules of arithmetic usually taught in schools, viz., the rule of three, compound proportion, practice, interest, vulgar and decimal fractions, and the extraction of the square root.

8. The qualifications above mentioned are all that are absolutely requisite for the admission of a cadet into the Military College. Parents and guardians are however informed, that it will be of great advantage to a cadet in his future studies at this establishment if, before being admitted, he make himself well acquainted with the following portions of the fourth edition of Cape's "Course of Mathematics," *viz.*

1. Algebra. Part I.
2. Geometry. Chaps. I. II. III. and VII.
3. The use of Logarithms.
4. Trigonometry. Chaps. I. II. and III.
5. Statics. Chaps. I. III. and IV.
6. Dynamics. Chaps. I. II. III. IV. and V.
7. Hydrostatics and Hydrodynamics.

It is also very desirable that a cadet on joining the College be able to draw with facility in pencil, and shade with Indian ink.

9. No person who has been dismissed, or obliged to retire, from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or from any other public institution, will be appointed to the College.

10. Every cadet upon his admission is considered a *Proba-*

tionary pupil for the first six months; at the termination of which time the public examiner reports to the committee on the probability of his being able to pass for the artillery or infantry at the public examination of his fourth term of residence. Should this appear improbable, either from want of talent or diligence, the cadet is then returned to his friends.

11. Every candidate must produce a certificate of his birth taken from the parish register, and signed by the minister, and countersigned by the churchwardens; or, if born in Scotland, by the session's clerk and two elders, accompanied by a declaration from his father, mother, or nearest of kin, the forms of which may be had at the Cadet-office, East-India House. In the event of there being no register of his birth or baptism, the candidate will be furnished with the form of a declaration to be taken by him previously to his being appointed.

FINANCIAL, &c.—The parents or guardians of the gentleman cadet are required to pay £50 per term in advance towards defraying the expense of his board, lodging, and education; also an entrance subscription of £2. 2s. to the public library.

They are also required to pay the cost of his uniform clothing,* averaging £15. 5s. 6d. per annum, and of the books required for his use; also pocket-money, at the authorized rates, *viz.* 2s. 6d. a week, with 1s. additional to censors, and 2s. 6d. additional to sub-officers.

A cadet is chargeable with the full payment for a half-year, however short a portion of it he may be in actual residence.

A cadet resigning, or being dismissed during a term, cannot lay claim to a return of a portion of the payment.

Cadets are chargeable for loss, damage, and destruction of books and other property.

No portion of their pocket-money may be paid in advance to the cadets.

No person belonging to the college may take charge of money for the private use of the cadets.

The payment for clothes, pocket-money, and books for the preceding term, is to be made previous to the cadet's return to the College.

Previous to the cadet's admission, his parents or guardians shall furnish him with the following articles, *viz.*

Two combs and a brush, twelve shirts (including three night-shirts), twelve pair of stockings, six towels, eight pocket-handkerchiefs, one pair of white trowsers, a flannel jacket and pair of flannel trowsers (to be worn when playing at football or cricket), a tooth brush, a Bible and Prayer-book, a case of mathematical instruments of an approved pattern. Each article of dress must be marked with the owner's name in full.

No cadet will be allowed to bring to the College more than one portmanteau or trunk, and one carpet-bag.

* *Viz.* Jackets, waistcoats, stocks, foraging caps, trowsers, half boots, gloves, together with a proportionate share of the expense of any other periodical supplies, and the repairs of the same.

Digitized by Google

The portmanteau or trunk not to exceed 2 feet 4 inches in length, 1 foot 3 inches in width, and 12 inches in depth.

PROHIBITION.—The cadet must not join the seminary with a greater sum in his possession than one guinea, and a further supply from any of his relations during his term may subject him to dismission.

The following class-books will be provided at the public expense, the mutilation or destruction of which to be chargeable to the cadets, *viz.*

Shakespear's Hindustani, and Latin Dictionary.

The Cadets will, on their first joining Addiscombe, be supplied with the following books, the cost of which will be charged to their parents or guardians, *viz.*

Cape's Mathematics and Logarithms,
Straith's Treatise on Fortification,
Shakespear's Hindustani Grammar and Hindu Selections,
Jackson's Military Surveying,
De La Voye's French and English Lexicon,
Contanseau's French Grammar,
Contanseau's Guide to French Translation, and Prosateurs et Poètes Français,
Scriptores Romani,
Ansted's Elementary Course of Geology,
Penley's Treatises on Water Colours and Perspective,
Syllabus of Chemistry.

VACATIONS.—Midsummer commences about the middle of June, ends 31st July.

Christmas commences about the middle of December, ends 31st January.

Before the close of every vacation, the cadet must apply at the Cadet Office for an order for his re-admission, and all sums then due to the Company must be paid up. This order will express that he is only to be re-admitted upon his returning with the books and instruments which he took home with him, that his linen is put into proper repair, and that he is in a fit state of health to renew his studies.

Notice to Parents and Guardians.

The friends of every cadet are hereby informed, that provision being made for furnishing him with every requisite, he cannot really want a supply of money to be placed at his disposal while at the seminary; and if they do, notwithstanding, think proper to furnish him with money, they put it in his power to commit irregularities, which must always retard his studies, and may eventually lead to his removal from the institution.

The parents and friends are further particularly desired not to attend to any application from the cadet for money, under the pretence of his having incurred any debts at Croydon, or elsewhere, or for the purpose of subscribing to the public charities, or any other pretence whatever.

It having become known that cadets have been in the habit of writing to their friends for money, under the pretence that there were so many stoppages from their weekly allowance that they had scarcely any money left, the Committee have ascertained that these stoppages have arisen, not only from wilful and

wanton destruction of public property, but in a considerable degree from the postage of letters, and the carriage of parcels addressed to the cadets. It has in consequence been ordered, that no letter or parcel shall be admitted into the College unless the postage or carriage of such letter or parcel shall have been previously paid. It has also been ordered that every parcel shall be opened in the presence of one of the orderly officers and the cadet to whom it is sent; that should it contain wine, or any thing prohibited in the regulations, the parcel, upon the first offence, will be returned to the person sending the same; and that upon the second offence, the cadet will be ordered home, and will not be re-admitted until a written apology has been sent to the Committee by the person who has committed a breach of this regulation.

It is forbidden that any cadet, or the parents or friends of any cadet, shall give or offer to any person belonging to the College, any pecuniary present or consideration, on any pretence whatever.

MEMORANDA.

The gentlemen cadets educated at the Military College are eligible for the corps of engineers, artillery, and infantry. Admission to the two first of these branches, *viz.* the engineers and artillery, is only to be obtained by these cadets, none others being eligible. Those who are most distinguished are selected for the engineers, according to the vacancies in that branch. Those immediately following in order of succession are promoted to the artillery.

Cadets who at public examinations are reported qualified for the engineers or artillery, but for whom there may be no vacancy in those branches of the service respectively, are presented by the Court of Directors with honorary certificates of their qualifications and meritorious conduct, are permitted to select the presidency to which they shall be posted as artillery or infantry officers, and their names are communicated by the Court for the observation of the Government of India, and for publication in General Orders to the army. Cadets who are not so reported, but who have attained proficiency in one or more branches of instruction, may be granted certificates to that effect, at the discretion of the public examiner.

In order that the gentlemen cadets may have the full advantage of any qualifications they may possess before they enter the College, it is not required of them to remain in it a longer time than one year, as they are eligible to be candidates for commissions in the engineers at the first public examination that takes place after a year's residence, and, if found qualified, are appointed accordingly.

The cadets educated at this institution take rank in the army above all other cadets who are appointed from the commencement of three months previously to the date of the College cadets being reported qualified; and all the time passed by them at the institution after they attain the age of sixteen counts as so much time passed in India, in calculating their period of service for retiring pensions on full pay, provided they pass within the prescribed period of four terms.

PERSONS who may be NOMINATED DIRECT CADETS.

A candidate must have attained the age of sixteen years. He is not eligible to be appointed a cadet after having attained the age of twenty-two years, unless he shall have been, for the space of one year at least, a commissioned officer in Her Majesty's Service, or in the Militia or Fencible Corps when embodied, and hath been called into actual service, or shall have been in the Company of Cadets of the Royal Regiment of Artillery. Such persons are eligible for the appointment of cadet in the Company's service, provided their age does not exceed twenty-five years. [A commission in the Guernsey Militia, or in any other corps similarly circumstanced, is not a qualification. (Resolution of Court, 3rd April, 1844).]

A candidate who has been so employed must produce his commission, together with a certificate from the War Office or Commanding Officer of his regiment, of his having actually joined and done duty with the regiment for the full term of one year and upwards; and that he was neither dismissed nor resigned his regiment in consequence of any misconduct.

No person who has been dismissed or obliged to retire from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy of Woolwich, or from any other Public Institution, on account of immoral or ungentlemanly conduct, can be appointed a cadet.

The following are the points upon which Candidates are to be examined before they are passed as cadets:—

1. Each candidate will be required to write English correctly from dictation.

2. He should possess a competent knowledge of the ordinary Rules of Arithmetic, including the Rule of Three, Compound Proportion, Simple and Compound Interest, Vulgar and Decimal Fractions, and the extraction of the Square Root. He should also have read the first three books of Euclid.

Digitized by Google

In languages he should be able to translate into English, passages from Cæsar's Commentaries, or from the first four Books of Virgil's Æneid, and he will be further expected to parse, and show his knowledge of Grammar and Syntax.

The candidate will be required to translate from French into English, an extract from one of the following works, viz., Telemachus, Voltaire's Charles the XII., and Peter the Great. But the candidate will have the option of being examined in the Hindustani, in lieu of the French language, and in that case he will be required to translate from Hindustani into English, and extract from one of the following works, viz.: Bagh-o-Buhar, Tota Kuhanee.

4. In History he should be prepared to pass an examination in Keightley's Histories of Greece and Rome, in Gleig's History of England, and in the History of British India, contained in Vols. 1 and 2 of the Edinburgh Cabinet Library.

5. In Geography, he should possess a competent knowledge of the modern divisions of the world; the principal nations in Europe and Asia; the names of the capital of each nation in Europe, and of the chief cities of Hindostan; and the names and situations of the principal rivers and mountains in the world.

6. In Fortification, he should have read some elementary work on the subject (Straith's Introductory Essay to the Study of Fortification, or Macaulay's Field Fortification), and have received some instruction in drawing.

The examination of the candidates will take place before the Board of Examiners to be convened for that purpose at the Military College at Addiscombe, near Croydon.

If not found qualified on their first examination, they may be allowed a second trial within the next ensuing six months; and if not then found qualified, their nominations will revert to their patron.

If the candidate has been confirmed as a member of the Church of England, he will be required to make a declaration to that effect. If not so confirmed, or if not a member of the Church of England, he will be required to produce a certificate from a minister, stating that he has been well instructed in the principles of the religion in which he has been brought up.

The candidate will also be required to produce testimonials for good moral conduct, under the hand of the Principal or Superior authority of the College or Public institution in which he may have been educated, or under the hand of the private instructor to whose care he may have been confided,—and the said testimonials shall have reference to his conduct during the two years immediately preceding his presentation for admission.

All direct cadets, appointed or sworn in between the 10th March and 10th June, or between 10th Sept. and 10th Dec. (or the days which may be fixed on for the public examination of the College Cadets) do rank after the College Cadets who may pass their said examinations, provided the latter sail for their respective destinations within *three* months after passing said examination.

All cadets who may be appointed between the dates of public examination at Addiscombe and the 10th of March or 10th of September, will be allowed to rank from the date of their sailing, provided this takes place within three months after their being passed and sworn.

N.B. The forms of certificate required to be produced are to be obtained on application at the Cadet Office.

Unless the whole of the said certificates are delivered in by the cadet, he will not be passed.

If no parish register can be found, it is provided as follows, *viz.*:—

"That if no register can be found, a declaration, pursuant to the Act passed in the 5th and 6th year of his late Majesty William the Fourth, of that circumstance shall be made by the party himself, with his information and belief, that his age is not under sixteen years, and doth not exceed twenty-two years" (Act of the 33 Geo. III.). Forms of the Declaration may be had at Cadet Office.

All cadets are required to subscribe to the Military Funds at their respective presidencies.

Cadets who shall fail to apply for their orders within three months from the date of their being passed and sworn, or shall not actually proceed under such orders, will be considered as having forfeited their appointments, unless special circumstances shall justify the Court's departure from this regulation.

When the Cadet is ready to proceed, he must apply for a certificate of his appointment.

4. A certificate of having attended two courses of lectures, of six months, each on the practice of physic, and of having attended for six months the practice and clinical instruction of the physicians at some Hospital, containing at least, on an average, one hundred in-patients, or of having attended one course of lectures, of six months, on the practice of physic, and clinical instruction for twelve months.

5. A certificate of having attended for three months the practical instruction given at one of the public Asylums for the treatment of the Insane.

6. A certificate of having attended for three months one of the institutions or wards of a Hospital especially devoted to the treatment of ophthalmic disease.

7. A certificate of having attended a course of lectures on Midwifery, and of having conducted, at least, six labours.

2. By object examinations and experiments, when the subject admits of such tests.
3. By practical examination at the bedside of the patient, and by dissections and operations on the dead body.
4. By *vivâ voce* examination.

The persons who shall be pronounced by the examiners to be the best qualified in all respects will be appointed to fill the requisite number of appointments as assistant surgeons in the East-India Company's service, and so far as the requirements of the service will permit, they will have the choice of the Presidency in India to which they shall be appointed, according to the order of merit in which they stand on the list resulting from such examination.

All assistant surgeons are required to subscribe to the Military or Medical, and Medical Retiring Funds at the Presidencies to which they may be respectively appointed, and to the Military Orphan Society also if appointed to Bengal.

All assistant surgeons who shall neglect or refuse to proceed to India under the orders of the Court of Directors, within three months from the date of their appointment, will be considered as having forfeited it, unless special circumstances shall justify a departure from this regulation.

A copy of these Regulations, and any further information, may be obtained on application to the Secretary of the Military Department, East-India House.

The Examinations will take place in the months of January and July in each year, and due notice will be given by public advertisement of the days appointed, and of the probable number of Candidates to be selected.

CIVIL FURLOUGH REGULATIONS.

1855.

RULES FOR SICK LEAVE.

Sec. IV. Upon application duly made, the Government may grant leave of absence on medical certificate to any civil servant to any place in India, in Europe, or elsewhere, as he may consider most conducive to the restoration of his health, without any restrictions whatever as to the places to which he may resort.

Sec. VI. The following conditions will in future attach to leaves of absence granted to civil servants, who may be declared by a sufficient medical certificate to require such leave for the recovery of their health:—

Firstly. The total period of absence, with the privileges here-

inafter provided, shall not (save as specially excepted in clause 5 of this section, and in section VII. of these rules) exceed eighteen months in the whole, nor shall it exceed fifteen months on any one occasion.

Secondly. The office of the absentee will be considered to be vacated if he shall be absent beyond eigheeen months altogether, or beyond fifteen months at any one time, unless he shall obtain leave under clause 5 of this section, such absence to be computed, if he shall proceed to a sanitarium within the presidency, from the date of his arrival thereat to the date of his quitting the sanatarium; if to any place beyond the presidency, but within the continent of India, from the date of his leaving the frontier of his own presidency to the date of his return thereto; and if he shall proceed to sea, from the date of the sailing of the vessel on which he may have embarked, from any port in India which is not more distant from his station than the ports of his own presidency, to the date of his arrival at any port within the presidency to which he belongs, or at any other port which is not more distant from his station than the ports of his own presidency.

Thirdly. The absentee will be entitled to draw a moiety of his salary, and the same will be paid to him during such period of absence, provided that he shall in no case draw a larger sum than Rs. 10,000 (£1,000) per annum, during that period. In cases in which the emolument of the absentee's office does not exceed Rs. 5,000 per annum, no deduction therefrom shall be made for the period of eighteen months, nor shall such a deduction be made in other cases as shall reduce the allowance below Rs. 5,000 (£500) per annum. In cases in which the salary of the absentee may not be of that amount, the full salary will be granted.

Fourthly. For the interval elapsing between departure from station to the commencement of reckoning absence, or between the end of reckoning absence and re-arrival at station, the absentee will be allowed a special leave for an additional period of one month, two months, or three months, according to the distance to be travelled, as prescribed in section XX. of these rules; and during this additional period the absentee will be entitled to draw the same salary as is allowed by clause 3 of this section.

Fifthly. If the absentee shall apply under medical certificate to remain absent for a longer period than eighteen months, or fifteen months at any one time, and it shall appear to the Honourable Court of Directors to be absolutely necessary, after examination by their medical officer in England, that he should do so; the leave which may have been granted in India will, under the orders of the Honourable Court, be extended to the limit of two years, with permission to retain office, and half salary within the limits enjoined, during such extension. If the absentee be in India, the leave may be extended to the limit aforesaid, under the orders of the Government of India or the subordinate Governments, upon the certificate of a board of medical officers, to be summoned to report on the state of the absentee's health.

Sixthly. If the absentee be compelled by the state of his health, under due medical certificate, to remain absent for a

Digitized by Google

longer period than eighteen months, or fifteen months at any one time, or beyond two years in the case of an extension under clause 5, he will, as before stated, vacate his appointment, but he will be permitted to receive an allowance at the rate of £500 per annum, if above ten years' standing at the time when the leave was granted, or of £250, if not above ten years' standing at the time when the leave was granted, for such further period of absence as shall not exceed the entire term of three years in the whole. At the expiration of that term, all allowance must cease until he reports his return to his presidency.

Sec. VII. If a civil servant of more than fifteen years' service, after having been absent on sick leave for eighteen months in the whole, or for fifteen months at one time, at whatever period of his service such sick leave shall have been taken, shall be again compelled by the same cause to apply for leave of absence, the Government of India and the subordinate Governments may, on special grounds, grant leave of absence for one further period not exceeding six months, during which the absentee may retain his office and half his salary, under the limits above enjoined.

Sec. VIII. If a civil servant, after fifteen years' service, shall be compelled by ill-health to apply for further leave of absence, he may be permitted on special grounds to obtain it, but his absence will involve the loss of office and salary; the Government of India, and the subordinate Governments, will, however, respectively exercise a discretionary power to grant, in such last-mentioned cases, a sick absentee allowance, not exceeding Rs. 5,000, or £500, per annum, for a further period not exceeding twelve months.

Sec. IX. A civil servant, who has taken sick leave under the rules of 17th May, 1843, will not be debarred by that circumstance from taking such leave again under the above rules, with the privilege of retaining office, provided the leave be not granted till three years have expired after his return from his leave, under the rules of the 17th May, 1843.

Sec. X. None of the above-mentioned rules will be applicable to members of council. Each member may, however, with the special sanction of the Government, be permitted to be absent, under medical certificate, for a period not exceeding six months, retaining his office and receiving half his salary, which shall be paid to him during such absence, but if his absence shall exceed six months, his office will be vacated.

Sec. XI. Civil servants who may desire to draw their allowances, while absent on account of sickness, under the above rules, will be required to give security in such amount and form as may be fixed by the Government, for the refund of any excess that may be drawn, either by the agents at the presidency or by themselves, in case of their coming under retrenchment.

RULES FOR SHORT LEAVE ON PRIVATE AFFAIRS.

Sec. XII. The Government may grant to civil servants leave of absence to any place in India, Europe, or elsewhere, without any restrictions whatever as to the place to which they may resort, for one month in each calendar year, without deduction from the salaries and emoluments drawn by such servants; such leave,

however, will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave; if taken at one time, or from the date of return from any sick leave, or until the completion of six months from the expiration of the last instalment of a leave, if it has been divided. Servants not availing themselves of the indulgence in any one year, may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of twenty-two months from the termination of their former leave; and if two years elapse without enjoyment of the privilege, leave for three months may, in like manner, be granted at the expiration of thirty-three months from the termination of the last preceding leave; but no leave shall be granted under this rule for any period exceeding three months. If an officer shall not return at the expiration of the period of leave granted him under this rule, he shall forfeit all pay and allowances during the time of his remaining so absent without leave, and if he shall so continue absent for more than one month beyond the term granted, his office shall become vacant.

Civil servants absent from their stations under medical certificate cannot be admitted to leave under this rule in continuation of their sick leave; and if, while absent under this rule, they be granted extended leave under medical certificate, they shall be considered liable to the rules applicable to leave of absence on medical certificate for the whole period of their absence.

Civil servants who have been absent on medical certificate during any portion of a calendar year, are not entitled to leave under this rule during that year, nor can leave under this rule be taken in connection with or continuation of leave granted under sec. xiv. cl. i.

Sec. XIII. As a general rule, when leave is granted under sec. xii, such leave will be in one period only, whether for a whole month or less, and not in detached portions to complete one month; but as an exception to this rule, it shall be discretional with the several local governments, where good cause is shown for the indulgence, and it is attended with no public inconvenience, to sanction leave of absence under this rule to such parties as may not have occasion to apply for the whole at once, in two instalments only, which are not to exceed in the aggregate one month within the calendar year, on the understanding that no leave can be granted for any fresh calendar year.

Sec. XIV., clause I. The Government may, on sufficient cause being shown, grant to a civil servant special leave of absence on private affairs for six months, to any place in India, Europe, or elsewhere, without any restrictions whatever as to the places to which he may resort, provided, however, that the absentee shall draw no more than one-half of his salary and allowances. After an absence of six months any office held by the absentee shall become vacant.

Clause II. The leave granted under this section, if taken in India, will be computed from the date of the absentee's quitting his station to the date of his return thereto, and if taken in Europe, or beyond Indian limits, from the date of the sailing of

Digitized by Google

the vessel on which he may have embarked, from the port nearest to his station, to the date of his arrival at the same on his return to duty. A second leave of the same description cannot be taken till the expiration of six years from the date of return to duty from a former leave. No portion of the half salary allowed to be drawn will be claimable till the absentee shall have returned to his duty. For the interval elapsing, in the case of leave taken to Europe, or beyond Indian limits, between departure from station to arrival, at the port of embarkation, or between return to port, and re-arrival at station, the Government may grant, on the same terms and conditions as the special leave, such an additional period of leave as may be considered to be absolutely required to enable the absentee to reach the port of embarkation, or to return from the port of debarkation to his station.

Clause III. It will be understood that leave under this section is not to be granted as a matter of course to every applicant, but that it will be the duty of the Government to consider and determine whether the grounds of the application are sufficiently urgent to justify the concession of the leave.

FURLOUGHS ON PRIVATE AFFAIRS.

Sec. XV. In the place of the period of three years (in one term) for which furlough has hitherto been granted, civil servants will be allowed the option of taking a furlough of three years as at present, or of dividing the furlough into three periods of one year each, to be taken after successive periods of seven years' service, or into two periods, which may either be of one or two years respectively, or of eighteen months each, provided that, in every case, the civil servant shall declare, on taking his furlough, whether he intends it to be for twelve, eighteen, twenty-four, or thirty-six months, in order that the Government may make its arrangements accordingly. In case of a division into two periods, the first furlough must be taken after a residence of not less than ten years, and the second furlough after a further residence in India of ten years from the date of return from the first furlough; but civil servants returning on furlough to Europe will continue, as at present, to vacate their offices.

Sec. XVI. The furlough allowance granted during the periods mentioned in the last section will be at the rate of £500 per annum, and the receipt of it will not, on any grounds whatever, be permitted for any longer period than three years.

Sec. XVII. Civil servants who may have been compelled by sickness to quit their duty under medical certificate, before completing seven years' residence in India, will be entitled to receive during their furlough on private affairs, taken subsequently to their completion of that period of residence, the ordinary furlough allowance of £500 per annum, for three years.

Sec. XVIII., Clause I. In applying the foregoing rules in substitution of those before existing, periods of absence to the limit of three years will count as service in India, in the twenty-five years entitling to the annuity, the present qualification of twenty-two years' residence being retained.

Clause II. Absence on medical certificate to the extent of one

Digitized by Google

year will reckon as service and residence in India, and be so computed in addition to the three years of absence which, under the clause next preceding, are allowed to be reckoned as Indian service. All periods of short leave of absence on private affairs taken under sections xii. and xiv. of these rules will also count as service and residence.

Sec. XIX. Military officers employed in the civil department will be subject to the rules laid down in General Orders, No. 1150, dated 17th November, 1854, for the grant of leave of absence and furlough to officers holding military staff appointments.

RULES FOR LIMITING THE PERIOD OF SERVICE.

Sec. XXIX. After thirty-five years' service no civil servant shall be appointed to any new office, nor be permitted to retain an office which he has held for a period of five years and upwards, except in special cases, which are to be referred for the decision of the Honourable the Court of Directors. This rule will be applicable to every civil servant appointed to office after its promulgation, and to the case of every other civil servant to whom it relates, at the close of five years from the 25th August, 1854.

RULES FOR THE GRANT OF LEAVE OF ABSENCE TO LAW OFFICERS.

Sec. XXX. The East-India Company's law officers may obtain sick leave and short leave on private affairs under the conditions prescribed in the case of civil servants, both as respects the periods of absence and the limitation of allowances during such absence. Leave will, however, only be granted at the convenience of the Government, and no additional expense will on any consideration be incurred by the Government on account thereof.

If any law officer shall quit his duty, save on leave under medical certificate, or on short leave on private affairs, he will be considered to have vacated his appointment.

RULES FOR CHAPLAINS AND ASSISTANT CHAPLAINS.

Sec. XXXI. Chaplains and assistant chaplains may take furlough on private affairs and on medical certificate, also privilege leave, and leave for short periods on private affairs and on medical certificate in or out of India, on the same terms and conditions as military officers, with the following modifications:—

First. Chaplains being allowed to retire after twenty years' service, the period of furlough on private affairs is in their case limited to the present term of three years. The furlough may, however, either be taken in one period or be divided into two periods, whether of eighteen months each or of two years and one year respectively, and if divided, the first furlough may be taken, as at present, after seven years' residence, and the second furlough after a further residence of ten years in India. As respects chaplains and assistant chaplains appointed before the 11th January, 1854, when the period of service was only eighteen years, their second furlough, if they should exercise the option of

Digitized by Google

taking furlough in two periods, will be available after a second residence in India for a term of eight years.

Secondly. No furlough or leave of absence, whether on private affairs or on sick certificate, taken in Europe or elsewhere, in excess of three years, will be allowed to count as service in India, in the twenty years which qualifies chaplains for their retiring pensions. Periods of "privilege" leave, and of short leave of absence on private affairs, will, however, count as service and residence.

Sec. XXXII. The furlough pay of chaplains will remain as at present. With regard to their allowance during sick leave to any place out of India, they shall receive salary (but at a rate not exceeding £600 per annum) for the first six months of absence, and for the remaining twelve months, an allowance equal to the furlough pay of their standing. If the leave be extended, an allowance equal to furlough pay may be drawn for a further period of eighteen months.

Note. — It has also been determined that Chaplains and Assistant Chaplains, when absent in India under medical certificate, shall receive, within the limit of one year, their full salaries, subject to a reduction of one-third for the whole term of regulated absence; save and except that, if the salary be not more than Rs. 500 per month, no deduction shall be made; and if it be only so much more than Rs. 500 that the prescribed deduction of one-third would reduce the allowance below that sum, only the excess beyond Rs. 500 shall be deducted.

MILITARY.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in case of certified sickness, and as hereafter specified) to their rotation to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

Officers coming to England on furlough are required immediately to report their arrival by letter to the secretary, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the court, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases, in which it shall be proved to the court that a further residence in Europe is indispensably necessary

Digitized by Google

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's examining physician, Dr. John Scott, 13, Stratton-street, who will report to the Court of Directors his opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, *viz.*—

I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, ———— is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least ———— longer in this country.

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination, or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, *in the above form*, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission, either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sect. 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough and who shall not in due time apply, so as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the court to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments, and those of the rank of lieutenant colonel regimentally, when promoted to that of major general; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

The regimental allowances of his rank, for a term not exceeding six months, to be granted to the officer receiving such leave, from the date of his departure from his presidency; regimental pay to be drawn during the period of his absence.

Extended leave may be granted as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole. During this further time regimental pay to be continued, but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

Furloughs on private affairs to be allowed for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India. Officers who have taken the benefit of the regulation for the grant of furloughs on sick certificate, to Europe or elsewhere beyond sea, to be ineligible to a furlough on private affairs until they have served six years from the date of their last return to duty.

Pay of regimental rank to be drawn whilst on furlough, but not beyond the period of two years in each furlough.

All grants of furlough on private affairs to be subject to the exigencies of the public service, and to the regulations framed for the preservation of the efficiency of each regiment by limiting the number of absentees.

Officers holding staff appointments may have leave of absence on sick certificate or furlough, for a period not exceeding fifteen months, if on sick certificate, and six months if on private affairs, without losing their appointment, and if on sick certificate, receiving for that time half staff allowances; but on any absence beyond that period, the staff appointment and allowances cannot be retained except on special grounds.

No furlough or leave of absence, as announced in general orders, exceeding two years in twenty years of aggregate service, three years in twenty-five years' service, and four years in thirty years'

service, shall be allowed to count as service for the retiring* pension, and that no difference shall be made, in this respect, between leave of absence taken in Europe or elsewhere, or whether the leave be on sick certificate or on private affairs.

If regimental officers now in the service prefer retaining what may be considered the advantage of the present regulations, they may do so, provided they signify their wish to that effect through the proper department, when they next apply for furlough or leave of absence.

And be it further enacted, that no person who shall have held any civil or military station whatever, in India, in the service of the said United Company, being under the rank or degree of a member of council or commander-in-chief of the forces, and who, having departed from India by leave of the Governor-general in council, or Governor in council, shall not return to India within the space of five years next after such departure, shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or native corps of troops, or in the civil line of the Company's service; unless, in the case of any civil servant of the Company, it shall be proved, to the satisfaction of the Court of Directors, that such absence was occasioned by sickness or infirmity, or unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot, by three parts in four of the proprietors assembled in general court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in the London Gazette, or unless, in the case of any military officer, it shall be proved, to the satisfaction of the said Court of Directors and the Board of Commissioners for the Affairs of India, that such absence was occasioned by sickness or infirmity, or some inevitable accident.

Abstract of Act 53 *Geo. III. cap.* 155, *sec.*

Whereas inconvenience to the Military Service of the East India Company has been found to arise in certain cases from the provisions of the Act 33 Geo. BENGAL CIVIL SERVICE ANNUITY FUND.

Regulations as sanctioned by the Honourable the Court of Directors.

Managers of the Fund. (*Elected* 9 *Jan.* 1856.)

E. Currie	*Ex officio*
C. Allen	Chief Secretary.
G. G. Mackintosh	Accountant General.
A. R. Young	Sub-Treasurer.
C. T. Buckland	Civil Auditor.

Secretary and accountant, George Adams.

1st. The subscribers to the Bengal Civil Service Annuity Fund are the covenanted civil servants upon the Bengal establishment. They shall continue as long as they remain in the service, to contribute for the purposes of the Fund, four per cent. of their salaries and all other public emoluments whatever (travelling allowance alone excepted).

2nd. The annuities are fixed at 10,000 sicca rupees payable in India, or £1,000 sterling payable in England. In discharge of each annuity payable in England, the sum of £1,000 sterling shall be paid to the annuitant through the Company's treasury in London, the managers of the Fund undertaking to pay over to the Government of Bengal 10,000 sicca rupees for every year's annuity so paid.

3rd. Those subscribers only shall be qualified for annuities of the amount aforesaid, who have served in the civil service twenty-five years, and actually resided twenty-two years in India.

4th. The annuities of each year shall commence with the 1st of May, and shall be payable quarterly at the close of each quarter, and to the date of the annuitant's decease.

5th. The number of annuities assignable on account of each year from the 1st of May, 1851, shall be ten, and they shall be available, subject to the provisions of the following rule, to all qualified subscribers, according to their seniority in the gradation list of the service as fixed by the Court of Directors. But if any subscriber having become qualified for an annuity, shall retire from the service before the option of an annuity may devolve upon him, he shall nevertheless be entitled to the same in his turn, as though his name had remained upon the gradation list of the service.

6th. On the 1st of November of every year, the ten annuities that are to become available on the following 1st of May, shall be assigned to those qualified subscribers in order of seniority, from whom applications for annuities shall have been received before the said 1st of November. After the 1st of November, any of the said ten annuities which shall not have been assigned

Digitized by Google

under the preceding clause, shall be assignable to all qualified subscribers in order of application.

7th. As soon as possible after the 1st of May of every year, the managers shall notify in the Calcutta Gazette, the number of annuities of that year which remain unassigned, and also the number of annuities (if any), which remain not taken from previous years, and these annuities shall be assignable at any subsequent period to all qualified subscribers in order of application. But for the year in which any such annuity may be assigned, a rateable portion only of the annuity shall be payable, calculated from the date on which it is taken.

8th. Every subscriber to whom an annuity shall be assigned, shall be required, in order to entitle him to the full annuity fixed by Art. II., to pay on or before the date from which the annuity is to commence, the difference between one half of the value of the annuity, and the accumulated amount of his contributions, whenever the latter shall be less than the former.

The value of an annuity on the life of any subscriber shall be determined by such table of valuation as may be sanctioned by the Honourable Court of Directors, and to determine the accumulated amount of a subscriber's contributions, a separate account shall be kept for each subscriber, and the account shall be made up annually, with interest at the rate of 6 per cent. calculated on the subscriber's contributions as allowed by the Court of Directors.

9th. Any subscriber who shall decline to pay the difference defined in the foregoing article, shall be entitled to an annuity of a reduced amount, to be calculated in the following manner, *viz.*: he shall receive an annuity of 5,000 sicca rupees or of £500 sterling, increased by such additional amount as his contributions may suffice to purchase, according to the table of valuation in force.

10th. The acceptance of the resignation of the Honourable Company's service is an essential condition to entitle a subscriber to an annuity, and annuitants will not be permitted by the Court of Directors to return to the service. Any subscriber therefore, to whom an annuity shall have been assigned under Articles VI. or VII., who shall fail to tender his resignation of the Hon. Company's Service, on or before the 1st of May following, shall not only forfeit his right to the annuity so assigned, but shall also forfeit a sum of ten thousand rupees, to be paid by the subscriber within one week from the said 1st of May, or in the event of non-payment by the subscriber, to be deducted from his allowances by the civil auditor in such instalments, not exceeding one-half, nor being less than one-third of his total official receipts, as the managers may direct, and in the latter case, interest shall be charged at the rate which the Fund would have received had the amount of the fine been paid by the subscriber within the prescribed term of one week from the 1st of May.

Digitized by Google

No subscriber who shall incur the above penalty shall be deemed entitled to an annuity, until the amount of such penalty, together with all interest which may become due thereon, shall have been fully paid.

11th. Any subscriber not having served twenty-five years, and actually resided twenty-two years, who may be compelled to retire from the Honourable Company's service by sickness, duly certified as below provided, shall be entitled to receive either a donation or an invalid pension of reduced amount as follows:—

If he shall not have completed ten years' residence, a donation of.....	Sa.Rs. 5,000
Or.....	£500
If he shall have completed ten years residence, but less than fifteen years, a pension of	Sa.Rs. 2,500
Or.....	£250
If he shall have completed fifteen years residence, a pension of	Sa.Rs. 5,000
Or.....	£500

12th. The grant of invalid pensions shall be made in all respects upon the same principle as are prescribed in Articles VIII. and IX. of the Rules; that is to say, in order to entitle a subscriber to an invalid pension of £500 a year or £250 a year, as the case may be, it will be necessary for him to make good one half of the value of such pension, but it will be optional with him in the event of his subscriptions not being equal to the half value, to take a reduced pension of £250 or £125 a year, increased by such additional amount as his contributions may suffice to purchase according to the table of valuation in force.

13th. It will be necessary for every subscriber applying for an invalid pension, to furnish to the managers of the Fund, a certificate from his usual medical attendant, countersigned either by the Medical Board in Calcutta, or by a special committee of medical officers, to consist of not fewer than three members, convened by the Honourable the Lieutenant-Governor of the North Western Provinces, certifying that he is, from some permanent cause or complaint, incapable of rendering service in the climate of India, and it will further be necessary that such certificate be confirmed by the examining physician of the Honourable Court of Directors, after the subscriber shall have resided one year in England.

14th. The value of every annuity or pension which is granted, shall be passed to a separate account under the head of "Appropriated Funds," and to the debit of that account shall be entered all payments in satisfaction of annuities.

15th. At the close of every third year, the managers shall calculate according to the table of valuation then in force, the values of the existing annuities and pensions, and shall compare the total of their values with the assets of the "Appropriated Funds." If the amount of these assets shall exceed the said

Digitized by Google

total, the difference shall be carried to the credit of the unappropriated Funds; but if the amount of the assets of the Appropriated Funds shall be less than the total aforesaid, then the deficiency shall be made good by a transfer to the head of "Appropriated Funds" of any balance remaining unappropriated, and a representation with regard to the difference (if any), shall be made by the managers to the Government of India.

16th. Every annuitant or invalid pensioner shall be furnished with a certificate of his admission to an annuity or pension under the hands of not less than three of the managers of the Fund, and a duplicate of the certificate shall be furnished to the Government for transmission to the Honourable Court of Directors.

17th. Any subscriber who may be dismissed from the Honourable Company's service, shall forfeit all right to any benefit from the Civil Service Annuity Fund.

18th. The interest in the Fund, of any subscriber, who may be suspended from the Honourable Company's service, shall be in abeyance during his suspension, and shall revive upon his restoration. But this provision shall not be held to apply to civil servants out of employ (from whatever cause), who shall be permitted to draw the subsistence allowance of their rank.

19th. The affairs of the institution shall be conducted by nine managers, of whom four shall be *ex officio*, *viz.* the Secretary to the Government of India in the Financial Department, the Accountant to the Government of Bengal, the Sub-treasurer, and Civil Auditor. The other five shall be subscribers, and shall be elected at a general meeting of subscribers to be held in January of each year in Calcutta.

20th. The Sub-treasurer of Government shall, with the permission of Government, be the Treasurer of the Institution, and the funds of the Institution shall be deposited in the public treasury, subject to the direction and control of the managers.

21st. The managers, or the majority of those present at a meeting of five or more, or if less than five be present, any three managers who may concur in opinion, shall be competent to decide on the first instance upon all matters relative to the receipts and disbursements of the Fund, as well as generally upon all subjects connected with the management of the Fund not expressly reserved for determination by a general meeting of subscribers. But the decisions of the managers in all cases shall be liable to revision by a general Meeting.

22nd. The managers shall appoint a secretary and accountant to the Fund, and shall fix such allowance for him, payable from the Fund, as they may consider adequate to his services. The officer so appointed shall act under the direction of the managers, and shall attend the general meetings of the subscribers. The proceedings of the managers, and generally all papers appertaining to the Fund, shall be kept under the charge of the secretary and accountant to the Fund, and shall, on application to him or

to the managers, be open to the inspection of any of the subscribers.

23rd. All appointments to the office of secretary and accountant to the Fund, as well as the appointments of any other persons whom the managers may find it necessary to employ, and the allowances assigned to such officers, shall be subject to the control of a general meeting.

24th. A general meeting of the subscribers shall be held in Calcutta in January of every year (or as soon afterwards as the accounts can be made up and prepared for inspection), to receive and audit the accounts of the preceding year, and to decide on all questions duly brought before it. The managers or any nine members of the institution, may convene at any time a special general meeting at the Presidency, by notice in the *Calcutta Gazette*, and in two newspapers, one of the two being a newspaper published in the North Western Provinces, provided that the day fixed for holding such special meetings and the object of it be advertised as above, at least six weeks before the same is held.

25th. Upon all questions duly advertised for discussion at a general meeting, whether annual or special, all subscribers shall be allowed to deliver their sentiments and votes by proxy, and all questions shall be determined by a *majority of two thirds of the subscribers*, who may be present at such general meetings, or who may vote thereat by proxy. But the concurrent voices of nine members at least actually present, shall be requisite to determine upon any question whatever. General proxies will only be allowed on behalf of members who have left India, and unless revoked, will be of force during the absence of such members, or until the receipt of intelligence of their death.

Parties holding general proxies shall be entitled to vote on any question whatever that may arise. The holder of a special proxy shall be entitled to vote on any final point connected with the question for which the special proxy was given, that may be discussed at the meeting summoned for its determination.

No person shall hold a general or special proxy, or be entitled to vote at any general or special meeting who is not a subscriber to the Fund.

It shall be the duty of the chairman of every general meeting, after taking the votes of those present on each question, to call for the votes of proxies on the same question; the chairman shall also carefully examine the proxies to see if they are in the prescribed form, and if not, shall reject them.

The forms of general and special proxies shall be those marked A and B, appended to the rules.

26th. Upon all general questions involving any increase or diminution of the rate of the contributions or any essential addition to, or alteration in the original rules and principles of the institution, no decision of the subscribers shall be valid or have any effect until sanctioned and approved by the Court of

Directors, to whom all parties considering themselves aggrieved by such decision, shall have a right of appeal, and the decision of the Court of Directors shall in all cases be final. Provided, however, that the determination of a general meeting on such cases and questions be referred to the subscribers at large for adoption or rejection, before being submitted for the sanction and approval of the Court of Directors.

ART. I. The object of the Bengal Civil Fund shall henceforth be to provide for the widows and children of deceased members, without reference to any property they may possess or acquire.

ART. VIII. First. Subscribers who may hereafter retire from the service on annuities of the Civil Service Annuity Fund, wishing to secure to their widows and children the full benefits of the fund, must, on retirement, make up the amount of their subscriptions with interest to twenty-five thousand rupees, and must also continue their contributions at the same rates on their annuities as those levied from subscribers in the service on their allowances, and under the same conditions in regard to minimum payments and liability to increase or decrease of rates; an option being allowed to each subscriber of paying up, once for all, either at the time of resigning the service, or at any subsequent period, the full value of his contributions, according to the tables of mortality which, on the advice of an actuary, may be adopted by the managers. This commutation will be calculated at five per cent., in the following manner: Ordinary subscriptions, on the life of the subscriber alone, additional subscriptions on the joint lives of husband and wife, and extra contributions for children on the joint lives of father and child. But such settlement will be open to re-adjustment, if the necessities of the fund should be found to require an enhanced rate of subscription; and every retired subscriber will also be liable to pay, in the same manner for each child

But subscribers hereafter *so retiring* from the service may, at their option, by making up the amount of their subscriptions with interest, *either* to twelve thousand five hundred rupees, *or to* six thousand two hundred and fifty rupees, and by continuing or compounding for, their contributions at the same rates on their annuities as those levied from subscribers in the service on their allowances, secure to their families, on the same conditions as above, in the former case one-half, and in the latter one-quarter of the amount of pensions and other allowances granted to the family of a subscriber dying in the service, or of an annuitant who has made up on retirement the full amount of twenty-five thousand rupees.

ART. XXVI. The widow of every subscriber who may die on or after the 1st January, 1850, and by whom the additional subscription levied from that date from married subscribers has been paid, shall, on furnishing a certificate of baptism, or a declaration, on honour, of her age, together with a certificate of marriage, and of the death of her husband, with the date of his decease, be entitled to receive, subject to the deduction provided for in Articles VII. and VIII., a pension of £300 (three hundred pounds sterling) a year, if residing in Europe, or of rupees 300 (three hundred rupees) a month if residing in India.

If her last husband be a subscriber to the fund, she becomes again entitled to the benefit of the fund as his widow. But in no case shall a widow receive from the fund more than one full pension of three hundred pounds a year *in England, or three hundred rupees a month in India.*

Provided that at any time between the age of sixteen and twenty-one, on being settled in any profession or employment, he may receive, in advance, the whole amount of the annuity due to him up to the end of his twenty-first year, his claim on the fund ceasing.

ART. XXXII. In the case of a posthumous child, if the subscriber, its father, had no other children, or if, having other children, he contributed for them the extra payment prescribed by Article V., the same allowances shall be granted to it as if the extra contribution had been paid on its account; but if the father of a posthumous child, having other children, did not contribute the extra payment prescribed by Article V. *for the youngest child living at the time of his death, the posthumous* child shall not be entitled to derive any support from the fund.

ART. XXXIII. The pensions of widows who may be admitted to the benefit of the fund shall be paid in advance *quarterly* to themselves, or to their authorized agents; but the acknowledgment of the widow herself shall be taken for all sums paid on her behalf.

ART. XXXIV. The allowances granted from the fund for the maintenance and education of children, shall be paid in advance *quarterly* to their guardians or relatives having the care of them, or to such persons as may be entrusted with the disbursement of the sums allotted for them, either by the managers of the fund in India, or by the agents of the fund in England. *No advances made under this or the preceding rule shall be liable to be recovered on the death, marriage, or coming of age of any incumbent on the fund.*

ART. XXXV. The pensions payable *quarterly* in advance to widows and children, under Articles XXXIII. and XXXIV. shall be considered due on the 1st of January, 1*st of April*, 1st of July, *and* 1*st of October* in each year; and should any pension be left undrawn in the hands of the Home Agents of the fund beyond three months after it becomes due, the same shall be at the risk of the pensioner.

ART. XLV. It is hereby declared, that the old rules of the Bengal Civil Fund, as they stood on the 31st December, 1849, are and will continue hereafter to be in force, in respect to the families of subscribers who died on or previous to that date, as also to the families of all subscribers, then retired from the service, who have retained a contingent interest in the fund. And all allowances granted to such families will be regulated as heretofore according to the provisions of those rules, in the same manner as if the new rules had not been passed. Provided that every widow now deriving support from the fund, shall, in case of remarriage, be entitled to an allowance of one hundred and fifty pounds a year, if residing in Europe, or of one hundred and fifty rupees a month, if residing in India, subject to limitation under the old rules, to the extent of any private income she may possess or acquire in excess of one hundred pounds a year, or one hundred rupees a month, as the case may be.

Further, the claim must be made to the managers, within three months, if he be in India, or if at home, within twelve months from the completion of the qualifying service.

5th. If the privilege to subscribe in the next higher rank be not embraced within the above periods, the application, whenever subsequently made, must be accompanied by a health certificate; and compound interest at 8 per cent. per annum shall be charged upon the additional donation and arrears of subscription accumulated half-yearly (as by article 2 of the existing rules) from the date of these rules taking effect, or from the completion of the qualifying service.

lated by certificate of admission, to be furnished from the Adjutant-General's office. Officers embracing the privilege granted by this rule must comply with all its provisions, calculated through each grade of service.

9. Subscribers may redeem by a single payment the periodical subscription exigible under Art. 7, the equivalent sum being determined on this principle.

Parties visiting Europe on furlough, or for a temporary residence not exceeding 3 years, not to receive the difference, nor parties revisiting India to pay it, if the temporary residence does not exceed 1 year. The value to be taken from tables, of which the following is a specimen.

On promotion, the subscriber will be liable to pay the donation, and to pay or redeem difference of subscription.

Members who may redeem their periodical subscriptions by a single payment are precluded the benefit of passage money and equipment allowance.

10. Subscribers on promotion shall pay the donation of their increased rank, as married or unmarried, agreeably to the rates specified in Table No. 1, whether in India or Europe. If in Europe, the exchange to be calculated at 2s. 6d. per Company's rupee.

11. The donation may be paid at once, or by monthly instalments, not exceeding twelve, at the option of the subscriber, in failure of which all claims shall be forfeited upon the fund, either for himself or widow, unless the amount be paid with interest at 8 per cent. per annum from the day of admission. 12. Monthly subscriptions of subscribers shall be paid within four months after they become due, or 8 per cent. per annum be charged on all arrears accumulated beyond that period, and in every occasion; if payment be then refused, the name to be struck off, if the party entered the service before subscription was made compulsory.

13. All members marrying, and who may be desirous that their widows should possess claims to the eventual benefits of the fund, are required to inform the secretary, if in India, and the agents if in Europe, of their marriage; and, unless the payment of the additional donation be made within six months after such marriage, the subscribers shall be required to pay the amount with interest at 8 per cent. per annum, calculated from date of marriage, and furnish a health certificate, as required by Art 2, clause 1; and no claim for pension on the part of the widow of an officer, not subscribing as a married member at the time of his decease, shall be admissible.

Arrears which may be due to the fund by a married subscriber at the time of his death, will, if not discharged by the paymaster of the corps to which the deceased was attached, or by the president of the committee of adjustment, or by his executors, or agents, be deducted from the pension of the widow, and the whole donation and arrear to be paid, although the subscriber should become a widower before completing the full payment. In all cases when the difference of age of the husband exceeds that of the wife fifteen years, the donation to be increased 10 per cent.; when twenty years, 15 per cent.; when twenty-five years, 20 per cent.; when thirty years, 25 per cent.; when thirty-five years, 30 per cent.; when forty years 35 per cent.; and thereafter in a similar proportion in every grade of promotion.

All members re-marrying to pay the prescribed marriage donation of their rank as on their first marriage. A subscriber withdrawing his name from the married list during the lifetime of his wife, and afterwards wishing to be again placed in the same position for her benefit, shall pay a second time to the marriage donation, and furnish a health certificate of the form laid down in the regulation.

Art. 16. Subscribers who may be prevented from drawing pay from a temporary cause over which they had no control, such as captivity, or furlough extended on medical certificate, shall, during such period, be exempted from the payment of monthly subscription, without forfeiture of the rights of the subscription; but on the removal of such incapacity, and upon the receipt of pay, the arrears are to be made good within six months, with interest at 8 per cent. per annum for any time beyond that period. But if the incapacity to pay proceed from any other cause, dependent upon the choice or conduct of the individual, such as furlough extended on private affairs, or any penal suspension from rank and pay, not only shall the arrears so accumulated be paid within the above term, but compound interest charged at 8 per cent. per annum on the amount.

Section III.—*Benefits derivable from the Bengal Military Fund.*

Art. 17. The benefits derivable from the Military Fund are twofold.

1st. Such as are granted by the regulations to subscribers while living.

Art. 19. A subscriber of whatever rank, who may proceed to Europe on sick certificate, and who may not be allowed passage-money from Government, shall be authorized to apply to the Military Fund for the sum of sicca rupees 800 to defray the expense, if he does not possess the sum of rupees 5,000, or property of any description to that amount; and also shall be entitled on his return to India to receive from the agents in England the sum of £110 for the outward passage, if he neither possesses, nor has at any time possessed, £500 sterling, exclusive of pay, during the period he has been in receipt of English pay on furlough.

Art. 20. A subscriber so proceeding to England on sick certificate shall be authorized to apply for the further sum of rupees 300 for his equipment, if he does not possess the sum of rupees 2,000, or property of any description to that amount; but no allowance will in any case be made for equipment to a subscriber returning to India.

N.B. The benefits held out in the two preceding articles should be applied for when claimable; and no claim will be admitted, which is not preferred within twelve months from date of furlough.

Art. 21. Subaltern officers proceeding to England on sick certificate who shall make a declaration that they do not possess property from any source (exclusive of pay and pension for wounds) that will enable him to expend £50 per annum, shall be allowed that sum annually during the period of receiving English pay on furlough. The declaration to be renewed annually.

N.B. The possession of Company's rupees 1,500, or £150, precludes all claim to the above allowance.

Art. 22. It having, however, been deemed necessary to set limits to the claims for gratuitous passage-money, equipment allowance, and income to subscribers proceeding to England on sick certificate, no subscriber who has received the benefits he is entitled to at any one time, shall receive a second indulgence until the expiration of eight years, reckoning from the renewal of Indian subscription.

N.B. A subscriber who shall have received these benefits before he has served eight years in India, will not be entitled to a second indulgence until he shall have been (exclusive of first furlough) 16 years in the service.

23. Subscribers proceeding to England from any place not under the presidency of Bengal, shall be entitled to the personal benefits which have been above enumerated, provided they shall have complied with the local regulations, and shall make immediate communication of the circumstances to the directors of the fund.

24. The second class of benefits, namely, those granted to widows of deceased subscribers, are absolute, not dependent on the decision of the directors, but controlled solely by the regulations of the institution.

25. The widows of deceased subscribers shall be entitled to receive the annuities specified in the annexed table.

Provided that nothing contained herein, or in any other part of these rules of the institution, shall be considered to entitle to the benefits of it any widow who may have been legally divorced or separated from her husband for adultery, or who, at the period of her husband's demise, may have quitted his protection, and be living in a state of notorious adultery, though not divorced or separated from him by law, or who subsequent to her husband's decease may be living in a notorious state of incontinence.

26. If a widow pensioner on the fund marries, her pension is to cease during her coverture; but in the event of her again becoming a widow, she shall be re-admitted to all the benefits she may have enjoyed from the fund during her first widowhood, in like manner as if she had not re-married, but subject of course to all the limitations and conditions prescribed by the regulations in the first instance. If the second husband shall also have been a subscriber to the fund, the widow will receive, however, only one annuity, taking that which may be the greatest; that is to say, according to the rank of the first or second husband, whichever may be the higher.

27. Every widow benefiting by the Military Fund, and not provided with a passage to Europe at the expense of Government, shall be entitled (for one passage only) to an allowance of rupees 1,000.

28. Should the fund, however, at any period fall short of the demands upon it, so that the annual income will not defray the amount of the annuities and other claims, then it shall be in the power of the directors, after submission to the army, to make a proportionate deduction from the annuity of each annuitant, excepting always the present annuitants of the Bengal Widows' Fund, and from the payments to other claimants above the rank of subaltern, until the state of the fund shall afford the means of complete payment; when if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

MILITARY ORPHAN SOCIETY.

Governor, the Commander-in-chief.
Deputy governor, Lieut. Col. A. Goldie.

Secretary, J. O. Beckett.

Acting Agent in England—Lieut. Col. H. B. Henderson, 69, Cornhill.

Regulations for the Admission of Orphans.

That no child possessed of any property shall be admitted, unless the amount shall be lodged for its use and benefit in the society's funds.

That no child of any subscriber, dying intestate, shall be admitted, if on inquiry there shall appear to have been (after payment of lawful debts, an adequate provision made for the mother) property remaining to the estate, equal to making a provision for, and which might have been bequeathed to, such a child.

In any case when an officer may die, leaving a natural born child or children, and possessed of property not sufficient to preclude the children from the benefits of the institution, and such officer shall not by will make such reasonable provision for these children as his circumstances may enable him, such children shall not be entitled to the benefits of the institution.

That when, in the will of any subscriber, part only of his children are provided for, and others either excluded by name, or otherwise not noticed in its provisions, such omission arising manifestly out of the intention of the testator, such exclusion or omission shall be considered to invalidate the claims of all the children on the institution.

That all cases of capricious or unequal provision, which by favouring the mother preferably to the children, or one child in preference to another, shall appear calculated to throw all or any part of a subscriber's family on the fund, shall be considered to invalidate the claims of all.

That any provision by will or settlement for the widow of a subscriber greater than 3-5ths (three-fifths) of the property to be devised when there shall be only one child; ½ (one-half) where

Digitized by Google

there shall be two, and 1-3d (one-third) where there shall be any greater number of children than two; the remainder being in all cases considered the property of the child, or (in equal portions) of the children, shall be considered unequal, agreeably to the two foregoing articles, and invalidate the claims of the children accordingly. Provided always, that a provision for the widow, to the amount of 12,000 sicca rupees (sicca rupees twelve thousand), shall not be held to invalidate the claims of the child or children, although such sum may be more than three-fifths, one-half, or one-third of the property devised. The widow may likewise possess a further sum of 12,000 sicca rupees if derived from other sources than property left by her husband, as from her own parents, father, brother, &c., or the subscription of her friends; and in case that less than 12,000 rupees should be left by her husband, such sum as shall not exceed *in all* the amount of 24,000 rupees, without the claim of the orphans upon the fund being thereby affected.

That in all cases of children born not in wedlock, any provision for the mother exceeding sicca rupees 30 (sicca rupees thirty), if a native; if European, sicca rupees 50 (sicca rupees fifty), per month, the principal of such sum in all cases to be secured to the child or children, shall be considered in the same light as the above, and invalidate all claims upon the foundation.

That subscriptions for the families of deceased subscribers are in all cases to be regarded as available sources of relief to the funds of the society, and in that view are to be considered of, and judged by the foregoing rules, in the same manner as any other disposable property; *with this only exception*, that, whereas such subscriptions are for a joint benefit, and lodged in the hands of trustees, it shall not be indispensable that the orphans' portions (estimated as above) be paid as capital sums into the society's funds; but it shall be sufficient that the interest upon them be from time to time duly paid by the said trustees into the society's treasury, so long as the orphans continue an expense to the institution, to be appropriated to their maintenance, whether in Europe or in India.

That should such children be allowed to remain with parent or friend, the interest on their said portions will be calculated in part payment of the regulated monthly allowance, the society regularly paying or receiving the balance; but should they be placed at Kidderpore, or under the management in England, the amount of interest on their several shares (calculated as above) must be paid into the funds of the society, on failure of which payment during a period exceeding 12 months, the said orphans shall be liable to be struck off the books of the institution.

That the marriage portion to female orphans shall in no case exceed sicca rupees 1,500.

Fund.

Art. 1. The object of the Institution and Fund are fourfold:

1st. To provide for those members who are obliged by ill health to leave India for a time the means of doing so, in case their furlough allowance and passage-money, when entitled to them from Government, or their private fortunes, are inadequate to the expense.

2ndly. To provide for those members who, by unavoidable accident or misfortune, are compelled to renounce the service.

3rdly. To provide for the widows and children of deceased members. And,

4thly. Section VIII.

Members Retiring from India.

Art. 1. Annuitants of 1,000*l.* wishing to secure to their widows and children the benefits of the provident branch of the Institution, may continue their contributions at the same rates on their annuities as those levied from members in the service on their allowances, and under the same conditions in regard to minimum payments and liability to increase of rates, and option being allowed to each annuitant to pay up, at the period of

resigning the service, in lieu of all claims on account of contributions to the provident branch, a sum equal to the rate of percentage levied from the service for widow and children, calculated according to the value of an annuity on the joint lives of husband and wife, and of father and child, at 8 per cent., but the settlement being open to future adjustment in the event of the necessities of the Fund requiring an enhanced rate of contribution, and the annuitant being liable to pay up in the same manner for each child subsequently born, and the additional premium as a married member, in case of subsequent marriage.

Art. 2. These contributions are to be paid annually, at the close of each year, to the treasurer and collector to the Fund, and are not claimable on the amount due for the broken period of the year in which the annuitant may die, and for which the full premium has been paid.

Art. 3. A member, not an annuitant, retiring from India, and ceasing to draw any allowance from the Company, or if receiving the smaller annuity of 250*l.* or 500*l.*, or if reverting to the old fund, with the relinquishment of the subscriptions paid to the provident branch, may continue his contributions, to secure to himself and his family the benefits of the provident branch of the Institution.

Art. 4. If he die in such retirement, his widow and children shall be entitled to the benefit of the Fund, the same as those of a member continuing in India, in the event of his having paid to the Fund a monthly contribution to the provident branch of 15, 20, 30, or 40 rupees, according to rank; or, in direct contribution, the sum of 5,000 rupees, inclusive of subscriptions previously paid. If he be in the receipt of the smaller annuity, he may, after paying the amount prescribed for non-annuitants in direct contribution, continue his subscription on his annuity in the manner laid down for the large annuities, the optional subscription for children being equally available to him.

Art. 5. The resumption of the payment of contributions, as provided in the preceding article, is to commence from the close of the third year from the date of the member quitting India, or from the commencement of the smaller annuity, if the latter period be earlier.

Art. 6. If a member or smaller annuitant die in such retirement, having ceased to subscribe to the Fund, and not having contributed the sum of 5,000 rupees to the provident branch, it shall be at the option of the subscribers at large to admit his family to the benefit of the Fund, or otherwise, all right and title thereto having, by such omission of payment, lapsed.

Art. 7. If the member return to the service in India, he shall be entitled to be re-admitted a member, as matter of right, on his complying with the regulations herein contained.

Art. 8. Annuitants and members removing from India, and continuing their subscriptions, must nominate an agent in India to adjust their account with the Fund, all payments and contributions being necessarily receivable in this country.

Art. 4. All income derived from the Bombay Military Fund is declared to be *inalienable*, and the fact of attempting the alienation of such income in any manner, or under any pretence, shall be deemed in itself a forfeiture of all future benefits from the fund.

Art. 5. The widow of a subscriber who shall have been legally divorced or separated from her husband, or who shall at the time of his death have quitted his protection, or shall be living in a state of adultery, though not legally separated or divorced, shall not be entitled to any benefit from the fund under any circumstances whatever.

Section V.

Eventual Benefits of the Fund.

Art. 1. Independent of the benefits which have been recited the Bombay Military Fund is considered as holding out the prospect of eventual benefits under the following circumstances.

Art. 2. If at any future period it shall be found that the funds of the institution afford a considerable surplus, after providing for the actual and probable applications for relief under the preceding articles, it shall then, and not otherwise, be competent for the directors of the institution, provided the permission of the Hon. Court of Directors be obtained, to afford the aid of the fund in the following cases:

First. To subscribers compelled by ill-health to abandon the country after ten years' service, before they are entitled to retire on full pay, the regulated passage-money of their rank, and in annuity which shall render their total income, from whatever source derived, equal to the full pay of their rank.

Second. To officers who may have served twenty-two years in India, and may be compelled by ill-health to retire from the service, without having obtained the rank of major, the regulated passage-money of their rank, and such assistance from the fund as will render their whole income, from whatever source, equal to the pay of major; and, as in the case of widows, the possession of an income not exceeding half the pay of a major of infantry, shall not occasion an abatement from the provision to be made from the fund.

Third. In the event of a still further surplus, it shall be competent for the directors of the Military Fund, at their discretion, to assist officers retiring from the service on full pay in limited

circumstances, with a sum equal to the regulated passage-money of their rank, provided always that the resignation of such officer shall actually have been accepted previously to embarkation.

Fourth. Should the fund, however, at any period fall short of the demands upon it, so that the annual income will not defray the amount of the annuities and other claims, then it shall be in the power of the directors to make a proportionate deduction from the annuity of each annuitant, and from the payments to other claimants above the rank of subaltern, until the state of the fund shall afford the means of complete payment; when, if a surplus income exists, the arrears shall be made good from the amount of surplus, but not otherwise.

Life Assurance Companies may be placed amongst the most useful institutions of modern times; and their increase shows that their value is daily becoming more appreciated. A very large proportion of the property of this kingdom is comprised in entailed estates, estates held by persons as tenants for life, church property, pensions, annuities, money receivable under wills, &c.; all showing the importance of these Societies to the more opulent classes; while, in the middle ranks of society, there are now but few whose means of supporting their families depend upon their own personal exertions, or are derived from incomes which cease at their deaths, who do not gladly seize upon the means thus afforded them of leaving some provision for the future maintenance of their surviving dependants,—in short, there are but few situations in life in which it is not desirable, at some period, to enter into a contract for Assurance. *(Continued.)*

ONE FIFTH *of the ascertained profits of the five* preceding years is divided between the policy-holders and share-holders; three-fourths to the former, and one-fourth to the latter. The remaining four-fifths are set apart to enter into the average of the succeeding years, and thus to provide against unforeseen contingencies.

The annual reduction of the Premiums arising from a participation in the Profits of the Society has averaged considerably above 40 per cent., and in no one year has it fallen below that amount.

The following Table will show the operation of the reduction made by the Society on those Policies upon which Six Annual Premiums have been paid :—

Age when Policy was issued.	Sum assured.	Original Premium.	Reduced Annual Premium for the current Year.
		£. s. d.	£. s. d.
20	£1,000	19 6 8	11 12 0
30	1,000	24 8 4	14 13 0
40	1,000	31 10 0	18 18 0
50	1,000	42 15 0	25 13 0
60	1,000	66 11 8	39 19 0

Thus it will be seen that the benefits arising from the Division of Profits will be experienced by each whole Life Assurer on the payment of his Seventh Annual Premium.

This system of reduction in the premiums affords immediate benefit to the assured, or enables them to secure a considerable bonus by effecting a new policy.

Policies are granted in London, and by resident Committees at Calcutta, Madras, and Bombay, on Indian risks, at very advantageous rates, calculated from extensive data and tables, prepared from the Records of the East-India Government, to show the true risk of life during residence in India, and after retirement from foreign service.
